

Relapse

40 Below Summer

This is smothering, when nothing changes for sure, anymore
I'm almost gone
I have suffering now I feel I've gone too far falling apart and
I have lost
So sad that, I feel so hopeless
Why I give my life away (2x)
So empty, I feel I'm falling
Why I give my life away (2x)
An affliction, so broken down and aching, shaking
I'm all alone
An addiction, my whole mask is broken, there is no hope I can?t
go on
So sad that, I feel so hopeless
Why I give my life away (2x)
So empty, I feel I'm falling
Why I give my life away (2x)
Why? Why?
Why, why, why, why?
Why I give my life away (2x)
So sad that, I feel so helpless
Why I give my life away (4x)
