

## Center Of The Mark

4HIM

To Love God, love people  
That's the center of the mark

In this life some things  
Are bound to change  
But one thing remains the same  
We all need love

Time goes on, it moves like a hurricane  
And through all the wind and rain  
We all need love

As this world just keeps on turnin'  
round and round  
There are treasures to be found  
If we just let compassion lead the way

Draw back your bow, let love go  
Shoot straight for the heart  
With all of your might, set your sight  
Take aim from the start  
To love God, love people  
That's the center of the mark

Every day, through what is and is to come  
When all has been said and done  
We all need love

So Jesus came, a gift from the heart of God  
He gave us His life because We all need love

And the love that death could not  
keep in the grave  
Is alive in us today  
So we must live to show the world the way

For the world is the target  
And the arrow is the cross  
As we set out on this journey  
Lets obey the call from the heart of God  
Let us Love at any cost

Draw back your bow let love go....
