

## Face the Nation

4HIM

I heard somebody say, no matter what you do  
Before you speak your heart, know who you're talkin' to  
What good are words if there's nobody listening  
If you can testify, to what the Lord can do  
Then don't you think it's time, to prove His promise true  
If you believe that the message is clear  
Then you must turn around, so the hungry can hear  
When we say what we say, we've gotta face the nation  
We gotta show a dyin' world the power of love  
When we say what we say, we've gotta face the nation  
How will they ever know if they don't see it in us  
You just never know who might be listening  
But if they can't hear us, the words mean nothing  
When we say what we say we've got to face the nation  
We tell the Lord we'll go, where He would have us serve  
But sometimes honest vows, become just token words  
Never fulfilling the call that's been given  
When just outside our door, there waits a world in need  
So many breaking hearts, that only He can see  
We have the power that's found in His word  
But we have to reach out, if we're gonna be heard  
When we say what we say, we've gotta face the nation  
We gotta show a dyin' world the power of love  
When we say what we say, we've gotta face the nation  
How will they ever know if they don't see it in us  
You just never know who might be listening  
But if they can't hear us, the words mean nothing  
When we say what we say we've got to face the nation  
"And Jesus said to them, "Go, therefore and make  
Disciples of all nations, baptizing them in the  
Name of the Father, and the Son, and the Holy  
Spirit, teaching them to observe all that I have  
Commanded you. And lo, I am with you always, even  
To the end of the age". (Matt.28:19-20)  
When we say what we say, we've gotta face the nation  
We gotta show a dyin' world the power of love  
When we say what we say, we've gotta face the nation  
How will they ever know if they don't see it in us  
When we say what we say, we've gotta face the nation  
We gotta show a dyin' world the power of love  
When we say what we say, we've gotta face the nation  
How will they ever know if they don't see it in us  
When we say what we say, we've gotta face the nation  
When we say what we say, we've gotta face the nation
