

## It's All About Jesus

4HIM

It's all about Jesus  
It's all about the way he changed our lives  
It's all about Jesus  
The power of his blood can't be denied

It's all about Jesus  
It's all about the covenant he made  
It's all about Jesus  
Victorious he rose up from the grave

We lift our hearts to him  
He is the reason that we sing  
Hallelujah, hallelujah, hallelujah  
We praise your name

It's all about Jesus  
It's all about the way he set us free  
It's all about Jesus  
Wearing every sin at calvary

It's all about Jesus  
It's all about the gift of love he gave  
It's all about Jesus  
Precious lamb of God us was slain

We lift our hearts to him  
He is the reason that we sing  
Hallelujah, hallelujah, hallelujah  
We praise your name
