

# I'm OK

4minute

We've been doing this for an hour already  
With no words, and no expression on our faces  
It changed a lot - the love between you and I  
We've grown too far apart

(We need to stop dating) though it will be really hard  
(You need to meet a better girl)  
A girl who is way better than me  
It'll just be a moment and you'll forget me  
It will become better than now

I'm OK! Baby are U OK?  
We are no more  
I won't see you ever again  
I'm OK! Baby are U OK?  
It's okay if you hate me  
Don't hold it in and just forget me

I'll leave first, please don't hold my hand  
Don't make such a sad face  
My heart hurts even more  
It's better to just break up now  
Because we'll end up like this again (like this again)

(We need to stop dating) though it will be really hard  
(You need to meet a better girl)  
A girl who is way better than me  
It'll just be a moment and you'll forget me  
It will become better than now

I'm OK! Baby are U OK?  
We are no more  
I won't see you ever again  
I'm OK! Baby are U OK?  
It's okay if you hate me  
Don't hold it in and

I'm OK - Oh I'm OK  
Are you ok? Baby U Ok?  
Our suffocating love is just up until here

I'm OK! Baby are U OK?  
We are no more  
I won't see you ever again  
I'm OK! Baby are U OK?  
It's okay if you hate me  
Don't hold it in and

I'm OK! Baby are U OK?  
We are no more  
I won't see you ever again  
I'm OK! Baby are U OK?  
It's okay if you hate me  
Don't hold it in and just forget me
