5 Seconds of Summer

Oooh, Oooh

I wish that I was eighteen Do all the things You read in a magazine I'm not saying I wanna be Charlie Sheen

She's just a little bit older But I want to get to know her She said it's already over

So tell me what else can I do? I bought my fake ID for you

She told me to meet her there I can't afford the bus fare I'm not old enough for her I'm just waiting 'til I'm eighteen

Oooh

I think she wants to get with me But she's got a job in the city Says that she's always too busy

She's got a naughty tattoo In a place that I want to get to But my mom still drives me to school

So tell me what else can I do? I bought my fake ID for you

She told me to meet her there I can't afford the bus fare I'm not old enough for her I'm just waiting 'til I'm eighteen

You got me waiting in a queue For a bar I can't get into I'm not old enough for you I'm just waiting 'til I'm eighteen

In my bedroom thinking of her Her pictures in my private folder I know one day that I will hold her I'll make my move when I get older Make my move when I get older

She told me to meet her there I can't afford the bus fare I'm not old enough for her I'm just waiting 'til I'm eighteen

You got me waiting in a queue For a bar I can't get into I'm not old enough for you I'm just waiting 'til I'm eighteen
