

# Don't Stop

## 5 Seconds of Summer

You're like perfection, some kind of holiday  
You got me thinking that we could run away  
You want I'll take you there,  
You tell me when and where,  
Oh oh oh oh

But then I asked for your number,  
Said you don't have a phone  
It's getting late now,  
I gotta let you know

That everybody wants to take you home tonight  
But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'  
Every time you move to the beat  
It gets harder for me  
And you know it, know it, know it  
Don't stop 'cause you know that I like it  
Every time you walk in the room  
You got all eyes on you  
And you know it, know it, know it

You're coming close now, swear I can taste it,  
You got me tongue tied, I can't escape it  
I'm loving what you got,  
But then you push me off,  
Oh oh oh oh

And everybody wants to take you home tonight  
But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'  
Every time you move to the beat  
It gets harder for me  
And you know it, know it, know it  
Don't stop 'cause you know that I like it  
Every time you walk in the room  
You got all eyes on you  
And you know it, know it, know it

Every day it's the same, love and games that you play  
Back and forth, round and round, kinda like it this way

Don't stop doin' what you're doin'  
'Cause every time you move to the beat  
It gets harder for me  
And you know it, know it, know it  
Don't stop 'cause you know that I like it  
Every time you walk in the room  
You got all eyes on you  
And you know it, know it, know it, know it

Don't stop (don't stop, stop what you're doing) doin' what you're doin'  
( 'Cause you know that, you know that I like it )  
Every time you move to the beat  
It gets harder for me

And you know it, know it, know it  
Don't stop, 'cause you know that I like it (you know that I like it)  
Every time you walk in the room  
You got all eyes on you  
And you know it, know it, know it
