## 5 Seconds of Summer

Another day of painted walls and football on the TV  
No one sees me  
I fade away, lost inside a memory of someone's life  
It wasn't mine

I was already missing before the night I left  
Just me and my shadow and all of my regrets  
Who am I? Who am I when I don't know myself?  
Who am I? Who am I? Invisible

Wasted days, dreaming of the times I know I can't get back  
It seems I just lost track  
Looking on as all of life's colours seem to fade to grey  
I just walked away

I was already missing before the night I left  
Just me and your shadow and all of my regrets  
Who am I? Who am I when I don't know myself?  
Who am I? Who am I? Invisible  
Who am I? Who am I when I don't know myself?  
Who am I? Who am I? Invisible  
Who am I? Who am I when I don't know myself?  
Who am I? Who am I? Invisible

Another day, the walls are built to keep me safe  
I can't escape, it's too late
