Invisible

5 Seconds of Summer

Another day of painted walls and football on the TV No one sees me
I fade away, lost inside a memory of someone's life It wasn't mine

I was already missing before the night I left Just me and my shadow and all of my regrets Who am I? Who am I when I don't know myself? Who am I? Who am I? Invisible

Wasted days, dreaming of the times I know I can't get back It seems I just lost track
Looking on as all of life's colours seem to fade to grey I just walked away

I was already missing before the night I left Just me and your shadow and all of my regrets Who am I? Who am I when I don't know myself? Who am I? Who am I? Invisible Who am I? Who am I when I don't know myself? Who am I? Who am I? Invisible Who am I? Who am I when I don't know myself? Who am I? Who am I when I don't know myself? Who am I? Who am I? Invisible

Another day, the walls are built to keep me safe I can't escape, it's too late
