

Just Saying

5 Seconds of Summer

You got a boyfriend
And he's a total loser
All your friends tell you, that he's got not future
But they like me
Just saying

He barely takes you out
If he does, he's late
And when the check comes, he always makes you pay
I'd never do that
Just saying

You should leave him
'Cause it really makes me sick
Just saying
Just saying
You don't need him
I'll help you get over it
Just saying
Just saying

When you change your mind I'll be waiting
'Cause I'm better, than him
Just saying
When you change your mind I'll be waiting
Just saying

Got a big house, says he lives alone
But when I drove by I could see his mom was home
I got my own place
(He totally lies to you)
Just saying

He says he loves you
But it's all an act
He's seeing someone else right behind your back
You know I'd never do that
(He would never do that)
Just saying

You should leave him
'Cause it really makes me sick
Just saying
Just saying
You don't need him
I'll help you get over it
Just saying
Just saying

When you change your mind I'll be waiting
'Cause I'm better, than him
Just saying
When you change your mind I'll be waiting
Just saying
Just saying

You should leave him

'Cause it really makes me sick
Just saying
Just saying
You don't need him
I'll help you get over it
Just saying
Just saying

When you change your mind I'll be waiting
'Cause I'm better, than him
Just saying
When you change your mind I'll be waiting
