

Lie to Me

5 Seconds of Summer

I saw you looking brand new overnight
I caught you looking too but you didn't look twice
You look happy
You look happy

Flashing back to New York City
Changing flights so you'd stay with me
Remember thinking that I got this right

Now I wish we'd never met
Cause you're too hard to forget
While I'm cleaning up your mess
I know he's taking off your dress
And I know that you don't
But if I ask you if you love me
Hope you li-li-li-lie
Lie to me

It's 3AM and the moonlights testing me
If I can make it till dawn then it won't be hard to see
That I ain't happy
I ain't so happy

Flashing back to New York City
Changing flights so you'd stay with me
Problem was I thought I had this right

Now I wish we'd never met
Cause you're too hard to forget
While I'm cleaning up your mess
I know he's taking off your dress
And I know that you don't
But if I ask you if you love me
I hope you li-li-li-lie
Lie to me

Singing la la la la, la la la la la la
La la la la la la, la la la la la la

And I know that you don't
But if I ask you if you love me
I hope you li-li-li-lie
Lie to me
