

# Voodoo Doll

5 Seconds of Summer

I don't even like you,  
Why'd you want go and make me feel this way?  
I don't understand what's happened,  
I keep saying things I never said.

I can feel you watching  
Even when you're nowhere to be seen,  
I can feel you touching  
Even when you're far away from me.

Tell me where you've got your voodoo doll cause I can't  
control myself,  
I don't understand another way but I'm trapped under  
your spell.  
And it hurts in my head and my heart and my chest,  
And I'm having trouble catching my breath.

Ohh  
Won't you please stop loving me to death

I don't even see my friends no more  
'Cause I keep hanging out with you  
I don't know how you kept me up all night or  
How I got this tattoo

I can feel you watching even when you're nowhere to be  
seen  
I can feel you touching even when you're far away from  
me

Tell me where you've got your voodoo doll cause I can't  
control myself,  
I don't understand another way but I'm trapped under  
your spell.  
And it hurt in my head and my heart and my chest,  
And I'm having trouble catching my breath

Ohh  
Won't you please stop loving me to death

I can feel you watching even when you're nowhere to be  
seen,  
I can feel you touching even when you're far away from  
me

Everytime I see you,  
I don't know why my heart begins to race,  
Everytime I leave,  
I don't know why my heart begins to break

Tell me where you've got your voodoo doll cause I can't  
control myself,  
I don't understand another way but I'm trapped under  
your spell.  
And it hurt in my head and my heart and my chest,  
And I'm having trouble catching my breath

Ohh  
Won't you please stop loving me to death
