

# Why Won't You Love Me

5 Seconds of Summer

(Why?)

(Why?)

Switching into airplane mode again  
We're not alright but I'll pretend  
Press my cheek against the glass  
Just be good 'til I get back

The ground disappears  
I hold back the tears  
I check my phone to see your face  
Staring back as if to say  
Don't worry, you won't be lonely

Why won't you love me?  
Why won't you love me?  
You imagine when you close your eyes  
You're with me on the other side  
So why won't you love me?

Few drinks deep at a table for one  
The place we like to go and you take yourself home again  
Three missed calls at 2 AM  
You say you never heard, you're late to get to work and then

The time disappears  
You hold back the tears  
Your best girlfriend just got engaged  
You say you can't wait and need to make a change  
You told me it's so hard to be lonely

Why won't you love me?  
Why won't you love me?  
We're together all alone tonight  
So help us from the other side  
So why won't you love me?

Can you tell me why, my love?  
Can you tell me why I hold on to you  
And you hold on to me  
Can you tell me why, my love?  
Can you tell me why I hold on to you  
And you hold on

Why won't you love me?  
Why won't you love me?  
Why won't you love me?  
You imagine when you close your eyes  
You're with me on the other side  
So why won't you love me?
