Youngblood

5 Seconds of Summer

Remember the words you told me, "Love me 'til the day I die"? Surrender my everything 'cause you made me believe you're mine Yeah, you used to call me baby, now you're calling me by name Takes one to know one, yeah, you beat me at my own damn game

You're pushing, you're pushing
I'm pulling away, pulling away from you
I give and I give
And you take, give and you take

Young blood

Say you want me, say you want me out of your life And I'm just a dead man walking tonight But you need it, yeah, you need it all of the time Yeah, ooh, ooh young blood
Say you want me, say you want me back in your life So I'm just a dead man crawling tonight
'Cause I need it, yeah, I need it all of the time Yeah, ooh, ooh, ooh

Lately, our conversations end like it's the last goodbye Yeah, one of us gets too drunk and calls about a hundred times So who you been calling, baby? Nobody could take my place When you looking at those strangers, hope to God you see my face

Young blood

Say you want me, say you want me out of your life And I'm just a dead man walking tonight But you need it, yeah, you need it all of the time Yeah, ooh, ooh, ooh Young blood
Say you want me, say you want me back in your life So I'm just a dead man crawling tonight 'Cause I need it, yeah, I need it all of the time Yeah, ooh, ooh, ooh

You're pushing, you're pushing
I'm pulling away, pulling away from you
I give and I give
And you take, give and you take
You're running around and I'm running away
Running away from you, from you

Young blood

Say you want me, say you want me out of your life And I'm just a dead man walking tonight But you need it, yeah, you need it all of the time Yeah, ooh, ooh, ooh Young blood
Say you want me, say you want me back in your life So I'm just a dead man crawling tonight 'Cause I need it, yeah, I need it all of the time Yeah, ooh, ooh, ooh

You're pushing, you're pushing
I'm pulling away, pulling away from you

I give and I give and I give And you take, give and you take

Young blood
Say you want me, say you want me out of your life
And I'm just a dead man walking tonight
