They screaming at they murderer's but walkin' with no guns  
Come with me but don't run and die where your standin'  
See I'm holdin' on this cannon and your life I'm demandin'  
Put the pipe to your melon and your brains on the pavement  
These niggas is talkin' think that security goin' save them  
Nobody gon' speak when homicide pay a visit  
Look you right in the eyes and yell ya "we don't know who did it"  
Corrupted by street corner by shootin' at the police  
The fiends up all night and the neighbors gettin' no sleep
