You only spend time at the mall

Keep thinkin I'm candy
Aint nuttin sweet about me
Nigaas talkin in the pens and in the street about me
Some jake, tryin to watch every move I make
Cause my Deez'll make fiends do the up-town shake
I'm a pro, far from a amateur, holdin more keys than your fuckin janitor
They say "God bless the child that could hold his own"
You pay cops to hold you down, I just hold the chrome
Every breath I take, every step I take, every move I make
I got a ruger on my hip
You aint gotta like or love me but you gone respect me
You need a fifth and 2 clips to try and check me
12 in the afternoon we can start the clappin
Look homie I'm down for that day-time action

On New Years eve a body drops around the same time as the ball (yea)

Keep thinkin it's a game time in front of ya home Get the drop on that ass and shot shadder ya bones (yea)
