

Sally Is A Girl

50 Foot Wave

The night of blackout, I thought I'm your Sticky with the heat
and getting stronger every day

I'm dripping wet, I'm walking sweat
Sun shines at an angle, ohh

Sun shines at an angle, ohh, ohh, ohh, ohh

Under the thunder I thought I'll never win
If I'm better then it's over, if I'm worse I'm lost again
If I'm better then it's over, if I'm worse then I'm your failur
e

I'm dripping wet, I'm walking sweat
Sun shines at an angle, ohh
I'm dripping wet, I'm walking sweat
Sun shines at an angle, ohh, ohh, ohh, ohh

We wake up sleepy coming down from last night
Wishing we were thrilled again and looking for a fight

I'm dripping wet, I'm walking sweat
The sun shines at an angle, ohh
I'm Rose Marie, a boy but Sally is a girl, ohh
Sally is a girl, ohh, Sally is a girl
