

I want to take you, hold you so tight
I'm not gonna save you, I'll spend you tonight
Who'll be master, who'll be the slave
Who'll take the hassle, then go insane
You could've picked anyone, you could've walked away
You could've picked anyone, now I've got to say

Couldn't be sorry to you
I don't know what it means
I couldn't be sorry, true
I don't know what it means, do you?

I'll never leave you, always, I'm here
To mask your perception, deflecting your fear
Don't be a baby, don't be a chore
Don't drive me crazy, don't you make me bored
You could've picked anyone, could've walked away
Could've picked anyone, now I've got to say

Couldn't be sorry to you
I don't know what it means
Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry (I don't know what it means)
Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry (I don't know what it means)

Dreary, dreary day, sun won't shine
If it has to be this way, say you're mine

Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry (I don't know what it means)
Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry (I don't know what it means)

Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry (I don't know what it means)
Couldn't be sorry, couldn't be sorry (couldn't be sorry)
Couldn't be sorry, couldn't be sorry
