

## I Wanna Know

54-40

I want to Know:

I'm standing lonely  
Just a waiting for a call  
Know I'm not the only one at all  
Don't like going nowhere

When I stroll along the street  
Only take my orders from inside me  
I want to know  
I want to know

I want to know where to go when I am told  
I'm rubbing shoulders with the people I believe  
Don't get much to eat  
And I know I never ever sleep

I feel like a soldier  
Just waiting to be free  
Fighting for that something that says  
"Hey what's in it for me?"

I want to know  
I want to know  
I want to know where to go when I am told
