

## Music Man

54-40

Sing a song sweet music man  
Cause I won't be there to hold your hand  
Like I used to  
I'm through with you  
You're a heck of a singer and a powerful man  
But you surround yourself with people who demand so little of you

You touched my soul with your beautiful song  
You even had me singin' along  
Right with you  
You said I need you  
Then you changed the words and added harmony  
Then you sang a song you had written for me to someone new

Oh, but nobody sings a love song quite like you do  
Oh and nobody else can make me sing along  
Nobody else can make me feel  
That things are right when I know they're wrong  
Nobody sings a love song quite like you

Sing your song sweet music man  
You travel the world with a six piece band  
That does for you what you tell 'em to  
You try to stay young but the songs are sung  
To so many people they've all begun to come back on you

Sing your song sad music man  
Makin' your livin' doin' one night stands  
They're through with you they don't need you  
You're still a hell of a singer but a broken man  
But you'll keep on lookin' for one last fan to sing to

Oh, but nobody sings a love song quite like you do  
Oh, and nobody else can make me sing along  
Nobody else can make me feel  
That things are right when I know they're wrong  
Nobody sings a love song quite like you

Sing your song sweet music man  
I believe in you
