

Open Fire

54-40

Want me dead don't know why
Want me dead don't know why
Don't know why
Don't know why
I should die
I'm gonna get you while you're walking around in my mind

Go ahead and shoot me down
Go ahead and shoot me down
Shoot me down
Shoot me down
To the ground
I'm gonna get you while you're walking around in my mind

Come on sweetie open fire
Come on sweetie open fire
Open fire
Open fire
You'd be too kind
I'm gonna get you while you're walking around in my mind
