## **Open Fire**

Want me dead don't know why Want me dead don't know why Don't know why Don't know why I should die I'm gonna get you while you're walking around in my mind Go ahead and shoot me down Go ahead and shoot me down Shoot me down

Shoot me down To the ground I'm gonna get you while you're walking around in my mind

Come on sweetie open fire Come on sweetie open fire Open fire You'd be too kind I'm gonna get you while you're walking around in my mind
