

And as for seventeen on  
You think that, you know everything but you'll fall, sometimes  
Your life's about a ton of choices and all emotions that turn a  
nd go  
I believe there's something that is coming, that we do not know  
Seventeen on  
Go you, where feeling is strong  
Work your heart easy, set your love free  
And if you get lost you can always come back, to me  
You'll worry about the future, sometimes deny your past  
Waiting for an answer, too afraid to ask  
You won't sleep some nights, you won't breathe some nights  
You won't ever find any peace some nights, and you'll say "why  
me, why me, oh why me?"  
Seventeen on  
Go you, where feeling is strong  
Work your heart easy, set your love free  
And if you get lost you can always come back, to me  
to me  
You'll jump in the fire, jump in the sea  
Sometimes you'll think, how bad can it be  
Don't let it fool you, don't let it move you  
Don't let it change, who you are  
You are young, you are loved, you are all on  
Seventeen on  
Go you, where feeling is strong  
Work your heart easy, set your love free  
And if you get lost you can always come back, can always come b  
ack, to me
