

This Is My Haircut

54-40

It's p^hle-m^hle, I pawn it off
Cut it low, here we go
Ready to say, let it go
Geronimo, bye bye

It's not a mistake
This is my haircut, this is my haircut
Get it, get it
Not a mistake

Looking in the mirror, I'm supposed
To prepare for the new day rising
I gotta sing with a soul and be ready to go
Wait for the vibe, it's all in the timing

It's not a mistake
This is my story, this is my story
Get it, get it
It's not a mistake

Get a life, get a life
Get a oooh, oooh
Get a life, get a life
Get a oooh, oooh

Now that it's gone, cut it off
I cut out, what am I doing
I look at my face, boom boom
Oh my God, blue ruin

Aaaaah
Aaaaah

Get a life, get a life
Get a oooh, oooh
Get a life, get a life
Get a oooh, oooh

Oooh, oooh, oooh, oooh...
