

## This Is My Haircut

54-40

It's p̂le-m̂le, I pawn it off  
Cut it low, here we go  
Ready to say, let it go  
Geronimo, bye bye

It's not a mistake  
This is my haircut, this is my haircut  
Get it, get it  
Not a mistake

Looking in the mirror, I'm supposed  
To prepare for the new day rising  
I gotta sing with a soul and be ready to go  
Wait for the vibe, it's all in the timing

It's not a mistake  
This is my story, this is my story  
Get it, get it  
It's not a mistake

Get a life, get a life  
Get a ooh, ooh  
Get a life, get a life  
Get a ooh, ooh

Now that it's gone, cut it off  
I cut out, what am I doing  
I look at my face, boom boom  
Oh my God, blue ruin

Aaaaah  
Aaaaah

Get a life, get a life  
Get a ooh, ooh  
Get a life, get a life  
Get a ooh, ooh

Ooh, ooh, ooh, ooh...
