

Watching You

54-40

You don't know how well I know you and everything you do
Even though we haven't met yet, I'm always watching you
I'm not afraid to let you see me, no not at all that'd be alright

I'm not afraid to let you see me 'cause I know you'd never look
You don't know how much I need you and everything you are
Watching you is all I ever do 'cause you are all I've got
And all the times that I've seen you watching all the things you do

The way you walk the way you move through me opening my tomb
I'm not afraid I don't run away I'm not a stranger you shouldn't know

I'm not afraid to let you see me 'cause I know you'd never look
You don't know how much I need you and everything you are
Watching you is all I ever do 'cause you are all I've got
And I'll find a way just to see you everyday and be with you
