

LIEZ!

LIEZ!

[BRIDGE]

I can not say no more
I can not say too
I'm not says no more
I can not stay forever

How could I trust those (LIEZ!)
Why did you say that to me
How could I trust those (LIEZ!)
Maybe it's now or never

[VERSE]

Feels like I'm falling
To the ground
(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)
I'm standing on the edge
Can't see the ground
(Like I'm falling down, can you feel the ground, it's a long way down)

[CHORUS]

I... I think I lost my mind
I think I lost this time
How could I be so blind
[x2 times]

(NOW IT'S ALL GONE AGAIN!)

[VERSE]

Now it's all gone again
Now it's all lost forever
Now it's all gone again
We can not tell you never

[BRIDGE]

How could I trust those (LIEZ!)
Why did you say that to me
How could I trust those (LIEZ!)
Maybe it's now or never

[VERSE]

Feels like I'm falling
To the ground
(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)
I'm standing on the edge
Can't see the ground
(Like I'm falling down, can you feel the ground, it's a long way down)

[CHORUS]

I... I think I lost my mind
I think I lost this time
How could I be so blind
[x2 times]

... I think I lost my mind ...
... I think I lost this time ...
... How could I be so blind ...

[CHORUS]

I... I think I lost my mind
I think I lost this time
How could I be so blind
[x4 times]
