# Come to Me

**65daysofstatic**

Close your eyes, close your eyes (4x)

Please change your mind, please change your mind (4x)

All you have to do, is change your mind
All you have to do, is close your eyes
All you have to do, is change your mind
And come to me.

Spent the whole night dreaming (x11)
(Close yours eyes).

All you have to do, is close your eyes,
And come to me.
Yeah all you have to do is change your mind,
And come to me.
(4x)

Spent the whole night dreaming
(Close your eyes).
