

[Spoken]

Yo! Feel the flow - Que pasa? Paradoxx!

Gente adelante - You know it never stops.

[Rap]

The lyrics have flown - yo - now it's time to rock

get high to the rhythm - we never stop

Insane in the brain - to another dimension.

Put your hands in the air - hey, close attention.

Back on the mic - yo - check the flow

jump to the rhythm - jump - drop the tempo

drop the groove - now, drop the cuts.

Rewind the tape to select Paradoxx.
