

# Dead Men Don't Rape

7 Year Bitch

You ain't got the right tellin' me I'm uptight  
And I'm not obligated to give in 'cuz you're frustrated  
No, my revenge is death, 'cuz you deserve the best  
And I'm not turned on by your masculinity  
Dead men don't rape  
I don't have pity not a single tear  
For those who get joy from a woman's fear  
I'd rather get a gun and just blow you away  
Then you'll learn first hand  
Dead men don't rape  
You're getting sucked into society's sickest  
Don't go out alone you might get raped  
But not by a dead man 'cuz  
Dead men don't rape  
You ain't got the right tellin' me I'm uptight  
Dead men don't rape
