

I've been watching you  
Wondering when you  
When you gon' notice that  
I've been looking, all the while  
Just been hoping that maybe  
I can get you right where I want you  
I heard that you got a girl, but I can't sweat that none  
'Cause when I see something I want, I get what I want

Betcha she don't do you like me  
Betcha top dollar she don't move you like me  
Betcha she  
Betcha that she don't turn you on  
You know that I'm the one you really want  
Betcha she can't rock it like me  
Bet you all I got she ain't hotter than me  
Betcha she don't, betcha she won't

I gotta be up front (who knows)  
And if I sound real blunt (hey)  
It's only 'cause I'm the type to put my feelings on the line  
Every time I see something I like  
Your girl says she loves you but  
I cannot pay attention to anything I hear from her  
Boy you know she must not be  
Trying to keep a hold on you while you're here with me

You're so fine  
I want you to be the one  
I call mine for sure  
'Cause she's not right (no)  
I ain't trying to be a hater or nothing,  
But let me tell you something  
She lost her game  
So now I gotta do my thing
