

## Come & Knock On My Door

702

I anticipate- you told me that you wouldn't be late  
Boy here I wait  
Got the candles lit so boy don't you hesitate  
Prepare to be amazed  
I'll bend to every move that you make  
You can have it your way  
I got the wine on ice  
Cause I'm sure we'll be up late

You got me buggin-buggin  
For you I'm always open  
More kisses and more huggin  
Lovin' everything you do to me  
No matter what the time is  
You are always invited  
On me; I'll never fight it  
Don't take me wrong  
Just wanna turn you on

Come and knock on my door  
I've been waiting on you  
Cause your love is on time  
Can't get enough of you  
Can't be faking what's real  
I'll just tell you what true

Come as fast as you can  
I want everything to go as planned  
Cause tonight you're gonna win  
Ready to give in - cause you're not that average man  
It's been a long time since  
I let my guards down and let you in  
It was you that I missed  
Lets cut right to the chase  
And come handle it
