

## Don't Go Breaking My Heart

702

So many nights, I felt your beating heart,  
As we went deep in the dark,  
I watched you sleeping tight,  
Protect you from the light,  
As if you were a child,  
And put a kiss on your lips.

Don't you go breaking my heart,  
Stay for awhile, I'll make it alright.  
'Cuz if you go breaking my heart,  
I won't survive, so stay for tonight.

This can't be right,  
'Cuz each and everytime I look deep in your eyes,  
I see the shining stars.  
Beautiful works of art,  
Still we just never part,  
Let's talk it through you and I, here tonight.

Is there something that I should have done?  
Tell me where did I go wrong?  
Is there something that I could have said,  
To make you stay, around my way?
