

Don't Go Breaking My Heart

702

So many nights, I felt your beating heart,
As we went deep in the dark,
I watched you sleeping tight,
Protect you from the light,
As if you were a child,
And put a kiss on your lips.

Don't you go breaking my heart,
Stay for awhile, I'll make it alright.
'Cuz if you go breaking my heart,
I won't survive, so stay for tonight.

This can't be right,
'Cuz each and everytime I look deep in your eyes,
I see the shining stars.
Beautiful works of art,
Still we just never part,
Let's talk it through you and I, here tonight.

Is there something that I should have done?
Tell me where did I go wrong?
Is there something that I could have said,
To make you stay, around my way?
