

I couldn't breathe, I couldn't see,
I couldn't think, I could not believe,
How good it felt when we touched.
I couldn't fight, I couldn't try,
I couldn't hide, I could not deny,
That lightning can strike more than once.

Finally I know anything is possible,
Finally I know that some things are beyond our control.
Finally I know all is fair in love and war,
Finally I know there's no need for keeping score,
No need to worry.

I didn't see, I didn't want,
I didn't need, I did not recognise,
That love was there inside your eyes.
I didn't say, I didn't act,
I didn't complain, I did not resign,
But something happened that felt so right.

I was so amazed by the magic that I found in you,
I can't describe it but I know that I like it,
What you do.

Finally I know that life has a guarantee,
That nothing tastes the same,
And everything must change.
Finally I've come to realise,
There is a reason for every season.
