

He Rules

702

He rules
Little rules, little rules
He's as cute as can be
Sharp as a tack
He's a brother like no other
And he's all that
He rules
Little rule,s little rules
He's got plenty of cheese
If you know what I mean
He's s charismatic addict
And as fly as can be

Nobody's ever been down for me like him
He calls the shots every where he goes
He's the kind of mouse everybody wants to know
I know you think I'm crazy
But he's my blood, my blood
You cats better not mess with us
Unless you wanna get roughed up

He rules
Little rules, little rules
He's as cute as can be
Sharp as a tack
He's a brother like no other
And he's all that
He rules
Little rules, little rules
He's got plenty of cheese
If you know what I mean
He's s charismatic addict
And as fly as can be

We keep it all in the family
That's how we do (how we do, uh)
He never leaves my side no matter where I go
He's a brother I always wanted and more
Sometimes we just act crazy
Cause we're just kids, just kids
He'll do anything I ask him to
And he don't even care what it is, yeah, yeah

He rules
Little rules, little rules
He's as cute as can be
Sharp as a tack
He's a brother like no other
And he's all that
He rules
Little rules, little rules
He's got plenty of cheese
If you know what I mean
He's s charismatic addict
And as fly as can be

Little has the world in the palm in his hands, ooh

He can do no wrong in their eyes
Everybody needs a Stuart Little, yeah
He'll have you laughing all the time

Uh, uh, uh, uh
Say Stuart
(Stuart Little, Little, Little)
Say Stuart
(Stuart Little, Little, Little)
Can you hear me say Stuart?
On the right say Stuart
On the left say Stuart
In the middle say Stuart
Come on Little Stuart come on whoo!

He rules
Little rules, little rules
He's as cute as can be
Sharp as a tack
He's a brother like no other
And he's all that
He rules
Little rules, little rules
He's got plenty of cheese
If you know what I mean
He's s charismatic addict
And as fly as can be

Stuart Little, Stuart Little
