

Baby to the hip hop,
Baby I won't stop,
Tell me what's your sign,
Is it compatible to mine?
I'm gonna hit you with the 1,2,
Check-a 1,2, are we meant to be,
Let me introduce you to my crew.
I be sweatin' you,
Sweatin' you like sweat,
Can you feel my vibe,
Are you feelin' it just yet?
Baby you be makin' my poor heart pound,
Every time you...

Turn me all around,
Hear my heart pound,
You got it goin' on,
That's why I sing this song.

Check this,
You be so fine,
And I'm a witness.
Hit me up on my hip,
Come and check me,
I got what you want,
I've got what you need.
And each time you be walkin' by
My poor heart pounds,
On and on and on till the break of dawn sounds,
So let me hear you say...

La-da-da-da-da-da-da-da-da-da-da

Upside down,
Boy you turn me,
Inside out,
And round and round.

Oh, oh no,
You so fine,so cute,
Oh, oh no.
