

## Show You My Love

702

I know just what you need,  
Ooh let me love you please,  
I wanna show you my love.  
And when I start it up,  
Ooh you won't get enough,  
I wanna show you my love.

Yes I'm seeing you,  
And what you're going through,  
You deserve something better.  
See what I see your doing,  
I've come to the conclusion,  
That we should be together.

I really can't explain it,  
It's just a natural thing,  
For you to be apart of me.  
I wanna show you somethin',  
Know just what you're wantin',  
Baby can't you see that I just wanna...

Sometimes there is confusion,  
When you don't know how you really feel.  
But I have come to the conclusion,  
That what we have is real,ohhh.
