

## Shoot A 45

764-HERO

Shoot a 45  
and drive  
out past nothing

all the fields you pass  
and crash  
like you're supposed to

I know that much  
I want it back  
I know that much  
I want it back

you won a ticker tape parade  
you paid  
in triplicate

but your undershirt is choked  
with the poems that you wrote  
in red

and you roll your eyes  
and you cross your Ts  
for me

shoot a 45  
and drive  
out past nothing

I know that much  
I want it back  
I know that much  
I want it back
