

# The Innocence In Me

7Days

Hope is fading away  
A storm is coming to stay  
Where have you gone?  
A new place to stay  
A chance to break free

It's not the end of our days  
Won't you come back to me?  
Have you found your way  
Out of this maze  
Why can't I find it?

Across the sea and beyond  
With white wings I can see you fly  
You search to be free  
Wherever you go  
I need what you see

You wander through green pastures  
Walk through the valley of the shadow of death  
You have found the way  
You fear nothing more  
Is this not for me?

Now let me see what you have found this time  
Show me the way how to be glory bound  
Now let me feel what you can feel inside  
And let me near all that you hold so dear

Help me know no fear  
What is it that you hold so dear  
Can you give me more  
To help me endure  
And restore my soul

You wander through green pastures  
Walk through the valley of the shadow of death  
You have found the way  
You fear nothing more  
Is this not for me?

Now let me see what you have found this time  
Show me the way how to be glory bound  
Now let me feel what you can feel inside  
And let me near all that you hold so dear

Now let me fall through time  
Let me fall through sorrow  
Now let me fall when no one can hear my call  
Away from pain and greed  
Away from hate and sin  
Now let me fall one step for every tear I've cried...  
For every tear I've cried!!!

Will we ever see what our lives could be  
Will we ever find our meaning in life... Oh!  
I have found in you the innocence in me

The innocence in me is you...

Will we ever see what our lives could be  
Will we ever find our meaning in life  
Will we ever see what our lives could be  
Will we ever find our meaning in life  
I have found in you the innocence in me  
The innocence in me is you...

Will we ever see what our lives could be  
Will we ever find our meaning in life  
Will we ever see what our lives could be  
Will we ever find our meaning in life
