

Bubble Tint

8 Bit

Well, I got my car back from the shop today
With some fresh rims tinted all the way.
I'm feelin' fresh, I'm feelin fly.
Now all the fine ladies will give me the time.
So I caled up LeFrost and picked her up.
She had a mini skirt on with a big ol' butt.
She was gettin' cold, so I turned up the heater.
The defrost was on.. Aw shit! Aw shit! I got..

Bubble tint,
Bubble tint.
Bubble tint,
Bubble tint.
Bubble tint,
Bubble tint.
Bubble tint.

Girl, I let 'em take me out 'cause I heard about his car.
He picked me up at 8 but we didn't get far.
We rolled on out and he turned on the heat.
The windows started bubblin'
