

Duster

8 Bit

I took the duster,
And that's no joke.
Everybody 'round me
Seems like my bloke,
'Cause I took the duster.
My friends are cool.
We all hang together
And we all old school.
New school, bullshit.
Just take a hit,
Of the duster-
You can't get enough of it.
It's the shit.
And I ain't talkin' no shit
About the.. shit
That they call... my bitch.
