

Stolen Life

8 Foot Sativa

Slaving for this dead life
Waiting endless f**k this
Controlling thoughts no remorse
Can not take this
End it no-one cares
For many years steadiness
Die mother f**ker
Why mother f**ker
Who can stop this
Die mother f**ker
Who controls it
Die mother f**ker
Why mother f**ker
Getting closer
Die mother f**ker
Why mother f**ker
To the end
What now can't decide
Try to hide
Never mind what's inside the killing kind
No-ones their to steal your fears
Just go away
Tired of trying to steal it
Sacrifice my life
f**k off you piece of shit
Just go away
Is anybody listening to what I say
I'm sick of this why is this
Happening to me
Your lives and others lives have
Been takin' away
