

On The Loose

86 Mentality

At a dive and startin shit
grabbin shirts and swingin fists
stayed out til last call again
just a bunch of hooligans
(chorus)
on the streets tonight
don't care wrong or right
born to fuckin lose
tonight we're on the loose
18th street on thursday nights
DC boys got in a fight
chaos nights in baltimore
breakin down the fuckin door
(chorus)
just a bunch of fuckin hoods
always up to no good
(chorus)
