

Oppression

86 Mentality

Forgot about success just tryin to get by
sended up in debt til the day you die
lawyers, cops, pliticians and people in charge
screw the working class while they're living large
(chorus)

day in day, out, oprression, oppression
i can't get out, oppression, oppression
go nowhere generation, slaves to the rich
treadin fuckin water you're the system's bitch
(chorus)

work until you're dead just trin to break even
they got you by the eballs, man you're fuckin dreamin
(chorus)
