

## New Direction

88 Fingers Louie

What do you mean it's time  
Time for me to grow up?  
I don't want any part  
It's right to follow my heart

The new kids ran  
Ran out the back door fast  
And the bands that came before  
They had their noses in the air

Pretending that they cared about our scene  
Just because our money's green  
I'll tell you stage dives  
Make me feel more alive

Than coded messages in slowed down songs  
Now you're so ashamed  
Now I'm so ashamed of you  
We believed the same things

You stand to the side  
Rebirth of hardcore pride  
It all came true  
Too bad you can't see

All the good things that I see
