

Moonlight streets on your soft skin as you sleep tonight  
These fallen dreams as I count every breath you breathe  
I can't believe that we are standing on different sides  
The cold reality cos we live in the same room living separate l  
ives - oh

We gotta hold on (hold on)  
We can make it through the storm  
Baby it's been so long (so long)  
Since the feeling was so right  
I know we can make it strong  
For I have seen the signs  
In my heart you still belong  
Gotta keep holding on  
Oh we gotta hold on

We've been so blind to let the passing time just slip by  
All we're sacrificed just washed away like a turning tide  
I sit alone and look up into the open skies  
I finally realise oh we've got to fight to keep this love alive  
- oh

We gotta hold on (hold on)  
We can make it through the stor
