

Make You My Baby

911

Well, oh yeah yeah
Oh baby

Watching the stars shine in the open sky, summer breeze
Looking down those empty winding streets (winding streets)
There's one thing missing from this beautiful scene
I need you in my arms to make it complete

How can you be so far apart
Yet your voice I can hear
Babe it's tearing me apart
I'm drowning in my tears
I can almost touch you
But you don't even know I'm here
Don't even know I'm here

Tell me what I've gotta do to you make you my baby
Only you can release me from the pain inside
Tell me what I've gotta do to make you my baby
But it can't be wrong
I know it's gonna be so right

I need a little sign only you can rescue me
Cos you hold the key to unlock the mystery
Give me one chance to show that it co
