

Nothing Stops the Rain

911

Get down baby, Funky,
I said get get get on get on down, Funky,
I said get get get on get on down

Never thought the memories
Would cause me so much pain
When night time falls
It brings the good times back again
With you and I, I can't deny that love remains
We touch each other
In a special kind of way
The bittersweet parade
We got will never end
So baby let's not pretend
For destiny has played it's hand
Can't stop the tide from flowing
Can't hold back the pain
Can't fight the feeling
It's like nothing stops the rain
Baby there's no denying
You've got what I crave
Got the hunger
It's like nothing stops the rain

We're trapped together
It's just something we can't explain
I'm your essential baby
Your my nec
