

You're the Best Thing

911

I could be discontent and chase the rainbows end
I might win much more but lose all that is mine
I could be a lot but I know I'm not
I'm content just with the riches that you bring
I might shoot to win and commit the sin
I could runaway but I'd rather stay
In the warmth of your smile lighting up my day
That one that makes me say, heh

'Cause you're the best thing that ever happened
To me and my world
You're the best thing that ever happened
So don't go away

I might be a king and steal my people's things
But I don't for that power crazy way
All that I could rule but I don't check for fools
All that I need is to be left live my way
So listen what I say

From the soul of me
You're the best for me
Come and rock my dreams
But take this change from me
